The rooms in the Jakl-Hof

Bright, spacious and modernly furnished rooms are waiting for you in the Jakl-Hof. There is plenty of space to spread out, make yourself comfortable and grab some well-earned peace in the comfortably furnished rooms. You can choose between double rooms, apartments and family rooms.

The standard furnishing of our guest rooms includes a shower or bath and a toilet, as well as satellite TV and a telephone.

We offer a sumptuous and diverse breakfast buffet in a pleasant atmosphere so that after a restful night you can also have a good start to the day. That way, the day begins really well.

Please understand that during the winter months and rainy weather it is not possible to view our rooms. You are welcome to take a [virtual tour](#) (german only) to get an impression of each room from the comfort of your home. The price for your chosen room can be found on the following page.
